This image shows a completed LEGO Ninjaballz set. The structure is built primarily from grey, brown, and white bricks. It features a tall, multi-tiered tower on the left side, which has a small arched window and a green top section. To the right of the tower is a large, open archway. In the foreground, there is a platform made of brown bricks with a grey ramp leading up to it. The platform also has a small red and white sign with a black character. The entire set is built on a base of brown bricks. The background is a solid light blue color.
